### *Analysis by the Legislative Reference Bureau*

Under current law, there is no fee for annual fishing licenses issued to state residents who are members of the Wisconsin Veterans Home at King and a reduced fee for such licenses issued to other resident disabled veterans who are more than 70% disabled. This bill provides that veterans who are state residents and totally disabled from a service-connected disability do not have to pay a fee for an annual fishing license.

For further information see the **state and local** fiscal estimate, which will be printed as an appendix to this bill.
